

Header

The diagram shows a vertical stack of five rectangular sections. The top section is light blue and labeled 'Header'. The second section is light red and labeled 'Signature'. The third section is light blue and labeled 'Manifest'. The fourth section is light blue and labeled 'Files list'. The bottom section is light green and labeled 'Payload'. The sections are separated by thin lines. The 'Header', 'Manifest', and 'Files list' sections are grouped together by a blue border on the left. The 'Payload' section is separated by a green border on the left.
